

Fall 2026 at Weller Public Library

We have exciting themes each month this fall, with hands-on activities, crafts, games, sensory stations, and family-friendly events for all ages. In September, we'll be looking at **Bugs and Insects**; in October, we will be exploring **Evolution**; in November, we will be celebrating all forms of **Art**. Come check it all out!

Join us every other week for **TTRPG games** at the library; TableTop Role-Playing Games are a great outlet for players of all ages and abilities. Let us know if you're interested in acting as a game master!

Each week we have **Storytime & Coloring**, a chance for smaller kids to enjoy new books!

We regularly have **Art Opportunities** and **Crafternoons**. These are creative outlets for all ages!

In November, we will have a special guest leading a panel for our adult patrons about **Waitsburg Civics 101** and how our local government works. RSVP early to make sure we have enough pizza!

Follow us on Facebook and Instagram for updates, surprise activities, and more!
