

# Fall Events at Weller Public Library!

Fall is here, and the library is ready to celebrate the season with a variety of programs for all ages! From cozy storytimes and creative crafts to special events and community activities, there's something for everyone to enjoy. Check out the calendar below and join us in making this autumn full of learning, fun, and connection at the library.

## Some of our amazing ongoing events:

**Library TTRPG** – Come play D&D with us! Join anytime or drop by to learn how to play!

**Art at the Library!** – The first and third Saturdays of the month give us an amazing opportunity to create art based on famous artists with picture books explaining who those artists were.

**Storytime & Coloring** – Come hear a picture book and do some coloring!

**Lego Open Build** – Free build time with our Lego blocks!

**Crafternoons** – Open maker space time. A variety of supplies will be out for most of these events, but some feature specific art materials.

**Board Game Time** – Come play a game or bring one to play with friends!

**Visiting Exhibits** – We'll be hosting two visiting exhibits this fall from the Burke Museum.

Sept. 24 - Oct. 4 we will have an Amphibians & Reptiles exhibit.

Oct. 29 – Nov. 8 we will have an exhibit about Geologic Time.
